We sincerely hope that you will join us for an evening that will help support Nazareth's wonderful educational programs which have been threatened in recent years by cuts to public education at the federal and state level.

It is through generous local support that we will be able to preserve Nazareth's tradition of excellence. Your support is vital to our mission - "Education is the foundation upon which we build our future." Due in large part to your generous contributions and donations, the NABEEF has been able to enhance the quality of education for our students and community since its inception in 2002.

Greenhouse for Middle School (\$10,000); Playground/Ply Structure at Intermediate School (\$30,000); Camp Invention's Main Sponsor (\$20,000+ per year); Smart Boards at Intermediate School (\$10,000); Drum Set for Music Department & Clavinova, Refurbished Piano & Dolly for the Choral Groups (\$9,500+); Scholarships for Graduating Seniors (\$4500+) and many more!

The first hour of the event includes an open bar. Our guests will enjoy performances by the Nazareth Jazz Band and the Nazareth High School Drama Department will perform highlights from our spring musical. Sponsorship levels are attached for your convenience.

Thank you for joining us in our endeavor to preserve what Nazareth is known best for - delivering rigorous curriculum that is complemented by rich offerings in the arts and athletics. Together, we can make a significant difference for the children in our community.

Sincerely,
